continuous process, security measures implemented by public sector banka are being reviewed from time to lime and whenever further improvements are considered necessary, requisite guidelines/ instructions are Given to the banks. Depending on the risk factor involved, steps have been taken to appoint security guards, instal appropriate alarm systems, etc. in branches. Since apprehension of the culprits concerned is the most important deterrent, State Governments/ Union Territory Administrations have also been requested to make all out efforts to arrest the culprits. Further, in order to motivate bank employees, the general public and the police to resist robbers/dacoits, a scheme of rewards has been announced.
